

Would you like to enroll in evening classes at a public junior high school?

I want to enjoy school life with my classmates.

I want to learn again to achieve my dream.

Evening classes at junior high schools support people who could not study at junior high school for various reasons.

Please complete the questionnaire on the back of this paper. Based on the results of the questionnaire, we will consider how to implement evening classes at public junior high schools.

Please forward this questionnaire to your friends or neighbors!!

What are evening classes at a public junior high school?

- Classes for students to study in the evenings at a public junior high school.
- Taught by teachers licensed to teach at junior high schools.
- There are classes five days a week.
- Students study the same subjects (Japanese, mathematics, etc.) as those offered at daytime junior high schools.
- Students do not only learn how to read, write, and speak Japanese.
- Students do not have to pay tuition. Textbooks are free.
- Once students have completed all courses of study, they will receive a junior high school diploma.

Who can enroll?

- People who could not graduate from elementary or junior high school for various reasons.
 - People who graduated from junior high school but did not attend school most of the time and would like to study at junior high school again.
 - People of foreign nationalities who did not learn well at elementary or junior high school in their home countries.
- ※ Some night classes in junior high school will accept 13-15 year-old students who have not been able to attend junior high school for a variety of reasons.
